Though tribe and tongue may differ,
In brotherhood, we stand,

Our sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

NIGERIA NATIONAL PLEDGE

To be faithful, loyal and honest.
To serve Nigeria with all my strength,
To defend her unity, uphold her
honor and glory,
so help me God."

Standing stronger in harmony
Building our land together
Dreams of our founding fathers

PAST CHAIRMEN GOODWILL MESSAGES

CONGRATULATIONS

It is with a great joy and heart full of gratitude that my wife and I rejoice with the Chairman, ICAN Canada District Society, Mr. Lucky Adaghe (M.SC, FCA), IPC, Mr Blessing Familusi (CPA, FCA), the entire Executive Members and members of ICAN Canada District Society on our 10th Year Anniversary and 10th International Accountants Conference.

The seed planted at our first meeting under the pioneer executives (Ibukun Aruleba-Chairman, Kola Oladimeji-Vice Chairman, Abiola Oseni-General Secretary, Olutoba Dada-Treasurer and the inaugural members has grown as envisioned.

At Inauguration on Saturday February 7, 2015, the objectives conceived have been substantially achieved. I commend subsequent Chairmen and executive members for their selfless service.

I want to appreciate all the spouses of our previous Chairmen: Yetunde Aruleba, Funmilayo Oladimeji, Bosun Oseni and Ibijoke Dada for supporting the vision and rendered countless hours as volunteers when we did not have enough people to help in our previous conferences.

I want to congratulate the inaugural members who bought into the vision and worked relentlessly when there was nothing in it for them. We are looking forward to the future when ICAN members will have reciprocity with CPA as against MOU. I challenge all to put our hands on deck for this purpose.

Long live ICAN Canada District Society, long live ICAN Nigeria.

Ibukun Aruleba (MBA, CPA, CGA, FCA)

Pioneer and Inaugural Chairman

July 2013- December 2016

It is a great pleasure and glory to God Almighty for being instrumental to the formation of this our great District as a pioneer member. One of the four foundation members who were passionate about having a separate Canada District from the then US/Canada District in 2013 to benefit upcoming members to have smooth integration to Canadian Accounting Profession.

Glory be to God for allowing that our vision to come to past in 2025, ten years struggle to achieve CPA MOU with the I CAN in us, dedication and commitment.

Congratulations to all current ICDS members and prospective new members, wishing us a successful 10th international Accountants Conference and safe trip to our respective destinations.

Mr Kola & Mrs Funmi Oladimeji.

Congratulations to ICAN Canada District Society (IDCS) on 10th anniversary celebration.

Despite the initial hurdles that seemed insurmountable, however, with dedication and unity of purpose backed by strong determination, we are celebrating the 10th anniversary of a ‘child of circumstances’.

As one of the four pioneer members (Ibukun Aruleba, Kola Oladimeji, Abiola Oseni & Toba Dada), who envisioned the formation of IDCS in 2013, it is a great honor to be part of her 10th anniversary celebration.

Freedom is not free, formation of IDCS was not without its challenges. There were resistances from within and outside, however, with strong dedication and commitment, we continued until ICAN said ‘yes’.

We were fully convinced that the benefits of IDCS formation were not for her pioneer members as three of us were already designated CGA members before 2013. Hence, it was a dedicated humanitarian service of leaving a good legacy that will outlive us.

We aimed at making integration into accounting profession in Canada easier for new immigrant ICAN Members, so that they don’t have to go through the challenging experiences we went through before we passed our exams. Hence, we sought reciprocity agreement with the then CGA of Alberta, which became GPA in 2015.

I appreciate the unwavering support of our inaugural members, 90% of whom are still active IDSC.

I really commend the contributions of our past and present executives and all our members that have served on any of our committees, without your dedication and support the 10th anniversary of IDSC would have been a mirage. We appreciate your selfless and thankless services to humanity.

Thank you and God bless

Abiola & Bosun Oseni

CONGRATULATIONS

**Dear Mr. Lucky Adaghe and Esteemed Executive Committee,
Felicitations on the 10th Anniversary of ICAN Canada District Society**

It is with great joy and admiration that I extend my heartfelt congratulations to you, Mr. Chairman, and to the entire Executive Committee, on the momentous occasion of the 10th anniversary of the inauguration of the ICAN Canada District Society.

A decade ago, the vision to bring together Nigerian chartered accountants in Canada under a unified professional district became a reality. Since then, the District Society has grown in strength, relevance, and reputation. Your tireless efforts in promoting professional excellence, fostering continuous development, and upholding the noble ideals of the Institute have been truly commendable.

Over the past decade, the ICAN Canada District has not only provided a platform for intellectual engagement and career advancement but also built a thriving community grounded in ethical leadership, mutual support, and national-building values. The consistent delivery of high-impact seminars, the mentorship of emerging professionals, and the growing influence within both the Nigerian and Canadian professional landscapes are remarkable achievements worthy of celebration.

As you mark this milestone, I encourage the leadership and members of the district to look ahead with renewed purpose. Let the next decade be defined by deeper collaboration, greater visibility, and stronger impact — both within Canada and in the global ICAN network. Embrace innovation, champion integrity, and continue to serve as a beacon of excellence in the diaspora.

Once again, congratulations on this significant achievement. We celebrate our past, applaud the present, and look forward to the future with hope and confidence.

**With warm regards and best wishes,
Toba Dada**

Heartfelt Congratulations

to the entire ICAN Canada District family on this momentous 10th anniversary! It was a great privilege to have served as the 5th Chairman of the District, and the first chairperson after our four founding fathers.

To the glory of God, the ICAN-CPA MOU which has been in the works from previous chairmen materialized under my tenure.

I'm highly honoured to celebrate this 10th anniversary milestone with you. Ten years of transforming lives, empowering leaders, and impacting communities is a testament to your dedication and perseverance. Here's to many more years of excellence and growth!

SONG

*God be with you till we meet again
By His counsels guide, uphold you,
With His sheep securely fold you,
God be with you till we meet again.*

*Refrain;
Till we meet, till we meet,
Till we meet at Jesus' feet;
Till we meet, till we meet,,
God be with you till we meet again.*

*God be with you till we meet again,
'Neath His wings securely hide you,
Daily manna still provide you,
God be with you till we meet again.*

*God be with you till we meet again,
Keep love's banner floating o'er you,
Smite death's threat'ning wave before you,
God be with you till we meet again.*
